The *Family Preservation Journal* is a refereed biannual publication. The *Journal* provides a forum for practitioners, administrators, researchers and educators to present and critically review programs, policy, practice methods, and research findings in the areas of family preservation and family support. The *Journal* is intended to positively impact the type and manner of services provided to families. Research and case studies from those delivering services are encouraged.

Manuscripts should conform to American Psychological Association style, with an optimal length of 18 pages, not to exceed 25 typed, double-spaced pages (excluding tables and figures), with an alphabetical list of references. Also include a diskette copy using WordPerfect v 5.1 or v 6.1, or v 8.0 for PC.

Provide five copies of the manuscripts; the title page only should list the author's name, affiliation, address, and telephone number.
